CARTAR LIFT & MOVE
mobile hoist technology

E-GLIDEMASTER MOBILE LIFT

THE NEW GENERATION OF MOBILE LIFT & MOVE

Lift and move vehicles, caravans, trailers and cargo easily and safely. The Cartar Glidemaster Mobile lift is the first truly mobile hoist that allows you to elevate from a ground height of only 100mm. There are many lifts that are portable, but once elevated, they become a static fixture. Only the Cartar Mobile Lift is truly mobile.
